CERTIFICATE OF ACCEPTANCE

TO:

This certifies that Great Western Glycol accepted _____ gallons of used antifreeze (or PG-based heat transfer fluid) at its physical address, 9060 Quince St, Henderson, CO 80640 on the following date _____.

Great Western Glycol is in the business of recycling used antifreeze and HVAC fluids to manufacture its antifreeze blends and heat transfer fluids. We warrant that this antifreeze will be deposited into the first stage of our recycling process.

Be further advised that all waste material generated by this facility in our recycling process is properly managed, manifested, transported, and disposed in accordance with all applicable laws.

Signed:

For Great Western Glycol

Printed Name

Date

To the best of our knowledge, the above-referenced fluid delivered to Great Western Glycol is comprised only of used antifreeze (or heat transfer fluid, fire suppression antifreeze). There are no known hazardous contaminants in this material we have submitted for recycling.
